Shell Lake is situated in the Parklands of Saskatchewan on the edge of the Thickwood Hills, 1 1/2 hours north of Saskatoon or one hour west of Prince Albert. On August 8 & 9, 2015, blue moon signs will mark the trail to the studios of artists exhibiting this year. You may tour the studios, visit the artists, purchase original art, and in some cases, watch the artist at work.

You may drive the trail in any direction, start at any studio, take the full two days, or just visit a few of the studios. However you choose to do it, we hope you have an inspiring and enjoyable time!

For more information, visit our website at www.thickwoodhillsstudiotrail.com or contact one of the artists. We look forward to meeting you on the trail.

3. La Maison de Mae - Mae Buday

In my studio, on the shore of Big Shell Lake, I work with fabric, thread and paint. Fabrics have come from as far away as New Zealand and Taiwan. Cloth pieces, are often based on photos. Pebbles found along Lake Superior and Haida Gwaii, and seashells often find their way into my jewelry pieces, along with semi precious stones, wired with silver and copper. My inspiration is augmented by the loons, geese and otters, and anyone else who stops by.
