### Welcome to Our World Class Trail!

Shell Lake is situated in the Parklands of Saskatchewan, on the edge of the scenic Thickwood Hills. On August 11 and 12, 2018, blue moon signs will mark the trail to the studios of artists/artisans exhibiting this year. You are invited to tour the studios, visit with the artists, purchase original art and in some cases watch the artist at work.

You may drive the trail in any direction, start at any studio, take the full two days, or just visit a few of the studios. However you choose to do it, we hope you have an inspiring and enjoyable time. "Passports" will be available for those who would like an opportunity to have their name entered in a draw for a **\$100 gift certificate** to be redeemed at the studio(s) of their choice. Pick up your passport at the first studio you visit and have it punched at **all 13 studios** along the way. Drop your passport, along with your contact information, at the final studio.

With fresh air, adventure and a variety of artistic expressions, the Thickwood Hills Studio Trail creates an opportunity for a real Saskatchewan experience. Enrich your summer!
