

Welcome to Our World Class Trail!

The Thickwood Hills Studio Trail is Saskatchewan's premier self drive tour. Shell Lake is situated in the Parklands of Saskatchewan, on the edge of the scenic Thickwood Hills.

On August 10th & 11th, 2024, blue moon signs will mark the trail to the studios of the artists/artisans exhibiting this year. You are invited to tour the studios, visit the artists, purchase original art and in some cases watch the artist at work. With fresh air, adventure and a variety of artistic expressions, the Thickwood Hills Studio Trail creates an opportunity for a real Saskatchewan experience.
Enrich your summer!
